Ms. Nguyen,

Sorry, I was out last week when you emailed and called. I did receive your voicemail, as well. I am meeting with the project manager today to review the additional information you requested, and will forward it to you as soon as possible (hopefully this afternoon). I did provide a narrative statement to explain the need for a 60 month license, and listed the DARPA contract number on the attachment that I submitted with the Form 442 Application (addendum to questions 4 and 6), but did not list a contract contact name and phone number. I will give you a call when I get the additional information, and make sure that you have everything you need. If you don't have the attachment that I completed, I can send a copy of that, as well, or any clarification that you need.

Best Regards,

Randy Kurtz
