Message:

Dear Ms. Nancy Roecker:

Pursuant to our telephone conversation earlier this morning, please add the new antenna location you wish to request to the Transmitter section of this application and please amend the start date to allow enough time to process this application.

Also, please verify that if further experimentation is needed beyond this STA, that an application for a regular experimental license will be filed using an FCC Form 442.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 17, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
