QUESTION 4: STATEMENT REGARDING GOVERNMENT CONTRACT

This is a 2-year Phase II Small Business Innovation Research (SBIR) Government contract with the Naval Air Warfare Center Weapons Division, with potential options/continuation to the contract:

Contract #: N68936-17-C-0019 (SOAP II)

NAVY POC: Jamie O-Malley, SBIR Contracting Specialist, Naval Air Warfare Center Weapons Div.
Jamie.omalley@navy.mil
(760) 939-8562

The purpose of this contract is to develop and demonstrate a prototype System-of-Systems Open Architecture Assured Positioning Navigation and Timing (A-PNT) – [SOAP] solution which allows integration of inertial and other sensors with GPS aiding when available and also supports operation in a completely denied GPS environment using aiding from a Software Defined Radio (SDR) using Signals of Opportunity (SoOP), to provide a Global Military Positioning Service (GMPS).

(See Question 6: Statement of Research Project narrative for more details).
