**Re: TRANSFER OF CONTROL FROM NCR CORPORATION TO AT&T;
EXPERIMENTAL RADIO SERVICE**

Gentlemen:

I enclose for filing an FCC Form 703, Application for Consent to Transfer of Control of Corporation Holding Station License, relative to certain Experimental Radio Service licenses held by NCR Corporation and identified in the enclosure.

Also enclosed is NCR Corporation's check in the amount of \$210.00 to cover the filing fees.

This filing is subject to the September, 1991 approval and consummation of the merger of an AT&T subsidiary into NCR Corporation, as a consequence of which NCR Corporation will become a wholly owned subsidiary of AT&T. If for some unforeseen reason such merger does not occur, this filing will be withdrawn.

Very truly yours,
