Message:

OET asked applicant to "submit a justification for the number of units under test."

Viaero seeks authority to test 100 remote units from 13 base stations. Viaero seeks authority to test 100 remote units so that it can obtain comprehensive data on the real-world capacity and performance of fully-loaded base stations in the 2.5 GHz band.

Viaero does not seek authority for market trials. All testing will be non-commercial.
