RE: Experimental License No.: 13EL12288
Payment remittance

ENCLOSED VIA FED-EX

To Whom It May Concern,

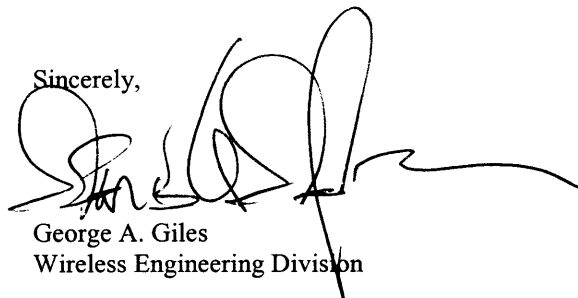

Please find enclosed the following in regards to the above specified item and application:

- 1) Completed FCC form 159;
- 2) Payment for \$50.00.

Please note: The form as printed indicated payment due of \$100.00. At present, NEC America Inc. believes that the actual payment due in the current application is \$50.00 and the remaining sum of \$50.00 was for either a prior paid (by check) application or an inadvertent duplication of the current application. NEC America requests that correction of payment information regarding the prior application be reflected in the online records, if this action is reasonably possible; or alternatively, removal (or disabling) of the more incomplete duplicate electronic application, if such a duplicate application exists.

Thank you for your assistance. If necessary, please contact me regarding these matters. My direct line is (214) 262 - 4211.

Sincerely,

George A. Giles
Wireless Engineering Division
