To Whom it may concern:

This is in response to Anthony Serafini's e-mail on 5/20/14 (Reference number 23988). Please note that I have submitted another pdf document on-line today to amend this permit application (052714 Response to FCC Reference 23988.pdf) to address following:

1. We have addressed comments regarding confidentiality per section 0.459 of FCC rules as mentioned in Anthony Serafini's e-mail.
2. Please also note that we have also specified (6) specific locations to be used for our mobile application. This replaces the prior location which just listed New Jersey.

Please let me know if any questions.

Thanks.
