RE: Experimental Radio Services
(Part 5 of the FCC Rules)

Dear Mr. Perry:

Your request for modification of station call signs WA2XNN and WB2XIA are hereby returned to you. The Commission is unable to process your applications, because your licenses for these two call signs (copies of which are enclosed) have expired.

If you wish to reactivate these stations, you must reapply for them as new stations.
We appreciate your cooperation.

Thank you,

Nancy Hey,
Information Technician
Experimental Licensing Branch
