Dear Sirs:

Enclosed is an application for renewal of radio station license. The radios used are part of a portable earthquake recording system which is deployed in emergencies. It was noticed that we neglected to renew the license and it expired July 1, 1988. The system has not been used in the last 6-8 months, but would like renewal as soon as possible to meet any emergency.

Sincerely,

A handwritten signature in cursive script, appearing to read "Walter Nicks".
