Message:

I went into attachments and added the consummation letter but I can't see it through the system. I have a printed copied that states You have successfully submitted exhibits to this application. If you would like to continue adding exhibits, select the Submit Additional Exhibits button. When I select the compluete submission button it tells me to hit cancel if I have already paid for this filing. Please call me at 469-229-7541. Thanks -
