

Exhibit 2
Amendment of Antenna Locations

ICO amends its initial application to modify 3 antenna sites. Due to tower loading and leasing issues, ICO needs to alter its planned siting of the following three antenna locations:

- 1) Henderson, NV (North 36°00'7", West 115°00'27")
- 2) Las Vegas, NV (North 36°9'23", West 115°19'21")
- 3) Las Vegas, NV (North 36°1'35", West 115°7'11")

ICO seeks to replace the above three antenna sites with the following three antenna locations:

- 1) Las Vegas, NV (North 36°3'38", West 115°02'20")
- 2) Las Vegas, NV (North 36°00'41", West 115°10'34")
- 3) Las Vegas, NV (North 36°10'50", West 115°19'4")

All other characteristics of the antennas and emissions remain the same.
