Subject: Additional Information Request

Message:

- 1) The Commission adopted new rules in November for operations in the 5.9 GHz band. Please amend your application to operate in the 5895-5925 MHz frequency range.
- 2) Please remove the locations from the experimental license request that we have already granted in the past.
- 3) Inform me via email once you have addressed all the items on the list.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 23, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
