re: Fee exempt justification

24 May 2013

We are applying for fee-exempt status as a government entity since New Mexico Tech is a state owned and operated university in Socorro New Mexico. In addition, the research that will be conducted in conjunction with this license request is funded by the U.S. Federal Government through the Defense Advanced Research Projects Agency (DARPA) under grant HR0011-10-1-0057.
