Dear Mr. Hennek:

I will handle everything related to the filings under the Alcatel name. I'm forwarding this message to Carl Huie, who handles the Newbridge filings so that he can help you with that inadvertent filing.

Gentle Person, 2-Mar, 2001

Please accept my apologies. I inadvertently filed STA 0096-EX-ST-2001, confirmation number EL10926, using information from an existing application I filed when our company was called Newbridge Networks Inc. The name of the company "Newbridge Networks Inc" was transferred to this STA. That name is no longer a legal name, and I tried to delete or cancel the STA. Unfortunately, the only way I found I could do that was by deleting the radio information from the STA and resubmitting the form. It appears the record is pending, and I got charged \$50.00 for that submission on my credit card.

After I deleted the radio information, I resubmitted the request under STA 0103-EX-ST-2001, confirmation number EL10933. However when I submitted that request, I misspelled the name of our company, and the request is now submitted under the name Alcatel Networks Inc., instead of Alcatel Networks Inc. (I accidentally miss-spelled "Networks"). I would appreciate it if someone could make the correction on the application. However, if you can't make the change, that's fine. I'll keep a copy of this correspondence in my records to show I made the effort to correct the error.

However, I would appreciate it if you could somehow credit my Discovery card the \$50.00 for STA 0096-EX-ST-2001, which is no longer required.

Again, I apologize. If you need to contact me, my phone number is 703-679-5356, or E-mail keith.m.hennek@alcatel.com

Sincerely

Keith M. Hennek
