Subject: Experimental License Application

Pursuant to our discussions from the other day, Nextel West Corp. hereby withdraws its request for confidentiality on its recent experimental license application. The file number is 002-EX-PL-2001, confirmation number is EL10747. Please let me know if I have to do anything on the electronic filing system. Will you eliminate the confidentiality attachment at your end?

I can be reached at 703-433-4212. Thanks.
