extend beyond the band limits set forth above.

- (2) Prior to equipment authorization or a determination of compliance, the device must be accompanied by a conspicuous notice worded as follows: "This device has not been authorized as required by the rules of the Federal Communications Commission. This device is not, and may not be, offered for sale or lease, or sold or leased, until authorization is obtained."
- (3) All participants in the experiment shall be informed that this operation is for experimental purposes only and can be cancelled at any time.
- (4) Operation requires consent of ITFS/MDS licensees to avoid interference.
