

NIITEK INC.
APPLICATION FOR EXPERIMENTAL LICENSE
TESTING LOCATION DESCRIPTIONS
FILE NO. 1200-EX-ST-2015

Description of the location and, if applicable, geographical coordinates of the proposed operation.

Proposed outdoor testing to be performed at NIITEK's facility located at:

23031 Ladbroke Drive
Dulles, VA 20166
(see picture below)
Lat: 38.979332
Long: -77.484286

4205 Westinghouse Commons Drive
Charlotte, NC 28273
(see picture below)
Lat: 35.139009
Long: -80.975512

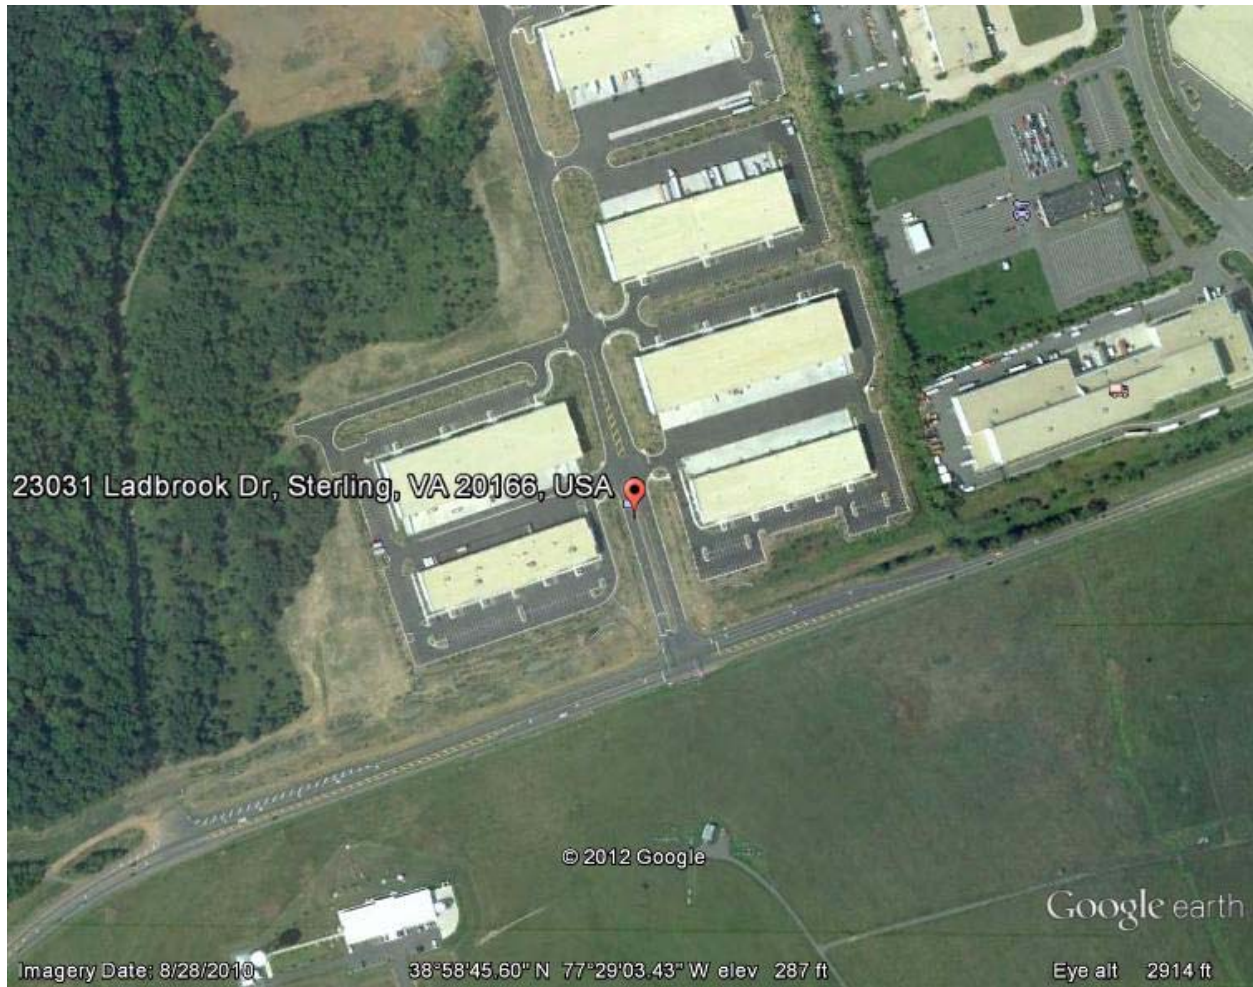

U.S. Customs and Border Protection
95 International Border
San Luis, AZ 85349
(see picture below)
Lat: 32.4853333
Long: -114.7813056

Otay Mesa, San
Diego, CA
Lat: 32.5511
Long: -116.9400

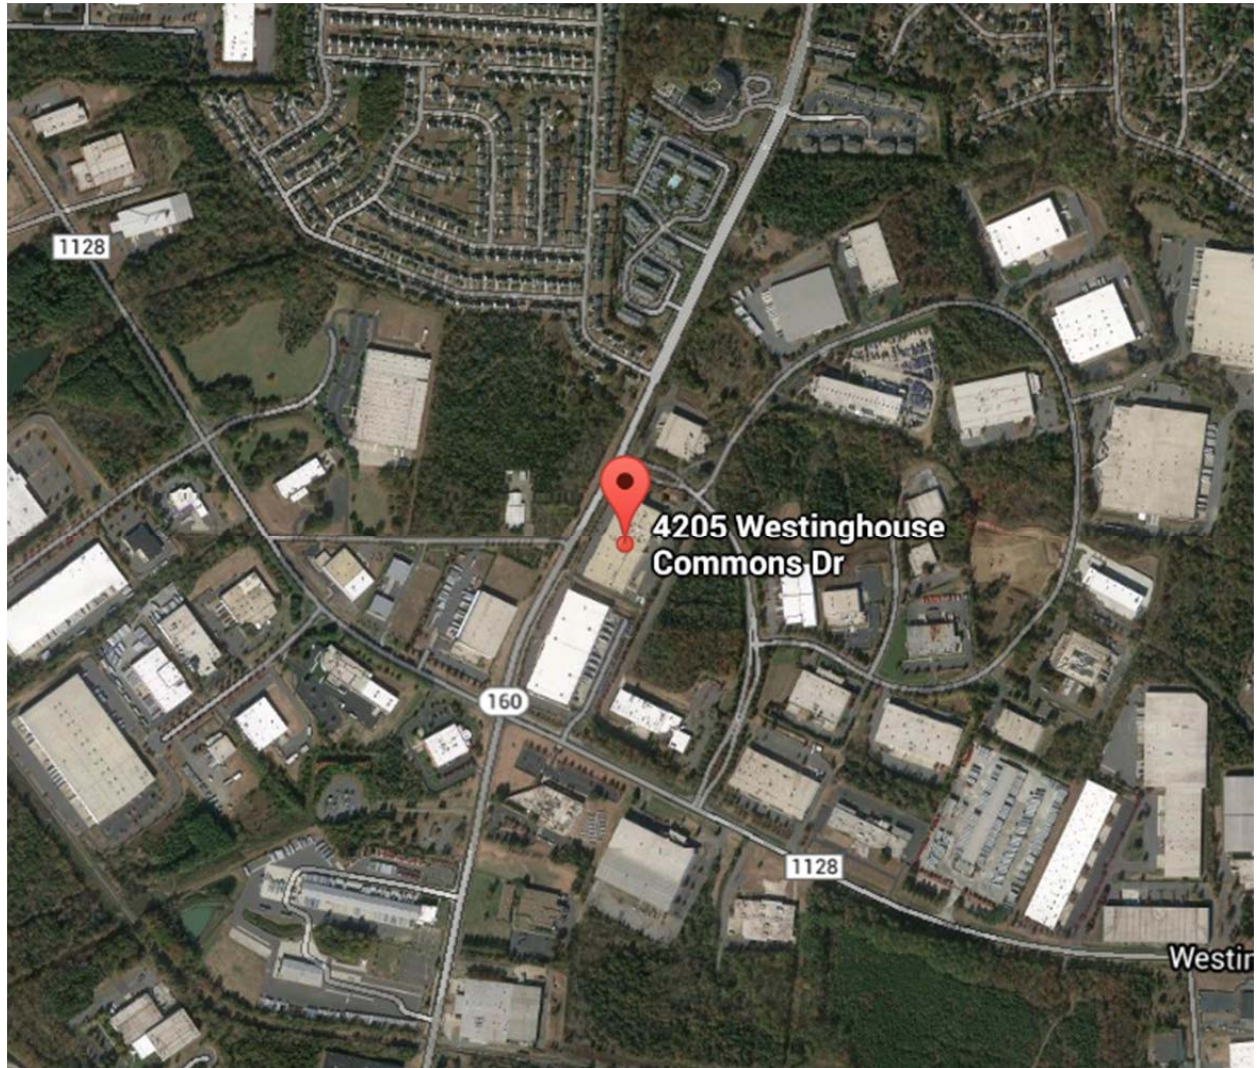

NIITEK is seeking permission to test the 3-D Radar system outside in the parking lots at the first three above addresses and in an actual smuggling tunnel at the fourth location.

Attached are aerials views of the Dulles, Charlotte and U.S. Customs and Border Protection facilities, as well as an above ground picture of the location in which the smuggling tunnel was located.
