Subject: Request for Info - File # 1200-EX-ST-2015

Message:

The Coast Guard is requesting additional information. Please respond to the following.

The Coast Guard requests additional information concerning this STA.

The Coast Guard would like to know the antenna characteristics and transmit radiation pattern of the antenna. Is all power radiated into the ground or is there the possibility of side lobes transmitted that are not absorbed into the ground?

Once the information is received the Coast Guard can further review the effects of this STA against Search and Rescue, Distress frequencies and Coast Guard Operational Communications.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 02, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
