Hi Leann,

We are still working on determining correction for the two items that you specified on our application.

We reviewed an approved FCC license for our Dallas office and it has the same information as the license we filed for our SF office. Would it be possible if we called to discuss w/ you more about what exactly is wrong with what we specified in the application ?

You can reach me at 619 890 9798.

Thanks
jason
