

Dear FCC,

Below, please find the STA information associated with these application filed and our agreement with the conditions.

- 1) We provide 24/7 contact information in case we need to turn down the base stations. We have provided that in each document.
- 2) Nokia will provide s schedule of the test plan that shows the location of the testing to DHS and DOJ at least 4 days in advance. Provided attachments list out the cell sites (in each document) and that we will be doing hand set testing. The test schedules have to be e-mailed to:

Carolyn.Thomas@usdoj.gov

Julio.A.LaGuardia@usdoj.gov

Ross.Merlin@dhs.gov

David.Campbell2@dhs.gov

Pat.Dibari@dhs.gov

- 3) Agree that the STA is subject to a month to month review by DHS and DOJ.
