DISMISSED-WITHOUT PREJUDICE

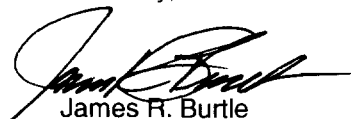

Dear Gerald L. Good,

This refers to application, File No. 0281-EX-ST-2007, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Interference would be caused to numerous critical Federal Government systems operating in the bands requested. It is suggested that Northrop Grumman works with the U.S. Coast Guard to select specific frequencies before re-submitting a new STA application for this experiment.

Responses to this correspondence must contain the Reference number : 5037

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", is written over a horizontal line.
