Hey John, we have decided to remove the 2.3GHz band from this application. Can you go ahead and have the 2.3GHz removed from the application. This way, we are hoping the application may go thru more quickly.

As always thanks for your help - Rich

Hey John, we are thinking of cancelling the 2.3GHz band off of this request. With that done, can you give me any sense of what the timeline might be for granting the application.

Thanks as always - Rich
