Re: **Amendment the Pending Application for a New Experimental Radio Station
(File No. 0090-EX-PL-1999).**

Dear Sir or Madam:

On behalf of Northrop Grumman Corporation ("Northrop Grumman"), we are submitting a copy the amendment for the above-referenced pending application that was originally hand-delivered on April 20, 1999. The amendment, which was submitted to notify the Commission of Northrop Grumman's purchase of California Microwave, Inc. - Government Communications Systems ("CMI-GCS"), was prepared and submitted according to the instructions of Mr. Doug Young and Mr. Carl Huie that were provided by telephone on April 16, 1999 to Mr. Vance Schuemann, a legal-assistant at this firm. Northrop Grumman completed its purchase of CMI-GCS on April 26, 1999.

Eariler today, Mr. Schuemann made telephone inquiries to Ms. Nancy Hey and Mr. Huie regarding the status of the amendment to the pending application. In his conversations, neither Ms. Hey or Mr. Huie could confirm that the Commission had received the amendment on April 20, 1999. As instructed by Mr. Huie, Northrop Grumman, therefore, is submitting the copy of the amendment that filed on April 20, 1999 to ensure that the Commission has a record of the filing and that all future correspondence regarding the pending application is directed to Northrop Grumman.

Please direct any questions regarding this letter or the enclosed amendment to the undersigned at (202) 371-6115.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Lisa M. Fowlkes", is written over a horizontal line.

Lisa M. Fowlkes

Attorney for Northrop Grumman Corporation

Enclosure
