

Application to Renew Experimental License WH2XKP

The application for renewal inadvertently requested a power change to 10 watts. This is incorrect. The power and all other technical parameters are requested to continue without change.

The stop buzzers do change. New stop buzzers are: Avalito Garcia, 661-478-8472 / 661-403-2990 or Ron Werle, 661-266-5024.
