

Explanation of Modification

Northrop Grumman Systems Corporation (“NGSC”) requests modification of the experimental radio station authorization under Call Sign WD2XXQ in order to use the authorization for internal research and development purposes in addition to the existing authorized purpose of testing equipment under the Multi-Platform Radar Technology Insertion Program (MP-RTIP) pursuant to a contract with the United States Air Force (Contract No. F19628-00-C-0100). NGSC does not request modification of the technical parameters of the authorization or any other changes.
