

EXPLANATION OF MODIFICATION OF LICENSE

Northrop Grumman System Corporation (“Northrop Grumman”) is filing this application for modification to notify the Commission that, in addition to existing contract previously disclosed to the Commission, Northrop Grumman also intends to use the classified facilities authorized under Call Sign WC2XRG for internal research and development purposes. This modification of license does not involve any changes to the licensed facilities. Questions regarding this matter should be referred to Mr. Jan Sochurek of Northrop Grumman (Tele: (410) 765-5626).
