

EXPLANATION OF MODIFICATION OF LICENSE

Northrop Grumman System Corporation (“Northrop Grumman”) is filing this application for modification to notify the Commission that, in addition to existing contracts previously disclosed to the Commission, Northrop Grumman also intends to use the facilities authorized under Call Sign KA2XBU to fulfill a new contract with L'Office National des Aeroports (ONDA) in Morocco. This modification of license does not involve any changes to the licensed facilities. Questions regarding this matter should be referred to Mr. Jan Sochurek of Northrop Grumman (Tele: (410) 765-5626).
