

Northrop Grumman Systems Corporation

Form 405

Exhibit A

March 6, 2002

Northrop Grumman Systems Corporation ("NGSC") will file for modification of the authorization for Call Sign KA2XGP to change the operating parameters of the license upon completion of a frequency coordination administrated by the Federal Aviation Administration ("FAA"). Please contact Rod Fremd of NGSC at (410) 765-5623 or Tim Pawlowitz of the FAA at (202) 297-9739 if you have any questions.
