

Modification of Existing License to Add Additional Antenna Locations

Northrop Grumman Systems Corporation (“NGSC”) hereby requests that the additional locations described in the attached application for license modification be added to experimental license WE2XIO. These additional locations are required for NGSC to perform tests pursuant to contracts with the Defense Advanced Research Projects Agency, Contract HR0011-06-C-0144, and Defense Microelectronics Activity, Contract number HR94003-04-D-0004.
