Re: **File No. 0205-EX-RR-2005**
Request to Withdraw Pending Renewal Application for Experimental
Radio Station License WA2XOY

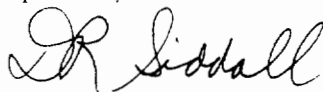

Dear Ms Dortch:

On December 27, 2005, Northrop Grumman Systems Corporation ("NGSC") filed a Form 405 application for renewal of experimental radio station license WA2XOY (File No. 0205-EX-RR-2004). On behalf of NGSC, we respectfully request withdrawal of this application. The program associated with the license will be completed by March 1, 2006; and, therefore, NGSC no longer requires renewal of the license.

Please date-stamp and return the enclosed extra copy of this letter to indicate receipt by the Commission of this filing.

If you have any questions regarding this request, please do not hesitate to contact the undersigned.

Respectfully,

David R. Siddall
Counsel to Northrop Grumman Systems Corporation
