Application for Experimental License
File No. 0665-EX-PL-2014

Northrop Grumman Systems Corporation

Northrop Grumman Systems Corporation (NGSC) submits this Application for experimental license for authorization to continue the testing initially authorized under the earlier STA granted under File No. 0143-EX-ST-2014 (WH9XJU), and also to add two locations for testing to the original location authorized in the STA. This authorization is needed to test the STARlite SAR/GMTI Tactical Radar System (STARlite) and associated TCDL air-to-ground data equipment for the purpose of completing the tests required to obtain FAA flight approval for the same.
