Subject: Request for Info - STA File #0433-EX-ST-2011

---

Message:

Doug,

Thank you for your quick analysis of my submission. I have added the second site as a second antenna. On each site, there are 3 identical transmitters where some transmitters have two antennas. That is, actually 5 transmit antennas per site. Should the form have 10 antennas or is the 2 that is listed there now sufficient? The other transmit antennas would be identical.

Thank you,

Stuart Golden
