Subject: Additional Information Request

Message:

Re: 46567

1. The application fee has been paid by NNU as of this morning, 3/7/19.
2. Attached to an email sent to nimesh.sangani@fcc.gov on 3/7/19, you will find the SpaceCap API with the antenna beam pattern files referenced in the API
3. In the same email sent to nimesh.sangani@fcc.gov, I have attached copies of the ITU SpaceCap cover letter and cost recovery letter. I will also upload these copies to the OET system.

If you have any further requests, please let me know and we'll address them as soon as possible.
