Subject: Request for Info - File # 0239-EX-ST-2019

Message:

Please provide the following information:

1. Would you please explain that the result of EPFD provided in the Annex Revision is generated based on what frequency band, emission and power levels? Is the result EPFD for an individual transmission?
2. In addition to the showing provided in the Annex Revision, please provide the detail calculation, data/number/value and formula that you used to calculate the EPFD for each frequency band, emissions (50MG7D and 6M00G7D) and its associated power.
3. Please certify that your proposed operations and communication between earth stations and satellites are in compliance with all existing or future coordination agreements between the proposed satellite operators and other GSO and NGSO satellite networks.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 13, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
