Subject: Request for Info - File # 0882-EX-CN-2026

Message:

- 1. Nationwide operation under Part 5 experimental licenses is no longer permitted due to multiple interference complaints and safety related reports received by the Enforcement Bureau involving experimental licenses. Applicant must therefore request specific test locations, each with a clearly defined radius of operation.
- 2. If any flight testing is included in the experiment, please provide the maximum flight altitude in feet AGL.
- 3. Please confirm that this operation will not, under any circumstances, be used for C-UAS activities, electronic attack, jamming, or any directed-energy function capable of causing harmful interference.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 18, 2026 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
