Subject: Lat-Long for permit application
Cc: ble1010@acs.tamu.edu

Ms. Nancy Hey:

In response to your call this morning, I checked the exact location of the proposed site of transmission to determine the latitude and longitude. They are as follows:

Latitude N29 degrees 15 minutes 31 seconds
Longitude W89 degrees 57 minutes 31 seconds

Please let me know if I can provide any additional information.

Billy
