Subject: Ocean Technologies (FLN 0312-EX-PL-2006)

Good Morning Mr. Kennedy:

Based on a telephone conversation with Mr. Mooring this morning, I would like to remove the three frequencies of the application 0312-EX-PL-2006 which have been tabled, to expedite the approval of the remaining frequencies.

Please let me know if there is anything else I need to do.

Very Respectfully,
Arne Diercks
