DISMISSED-WITHOUT PREJUDICE

Dear Dr. Arne-R. Diercks,

This refers to application, File No. 0312-EX-PL-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Coastal Ocean Dynamics Applications Radar (CODAR) is currently being reviewed for its potential as a service requiring a frequency allocation. Until a determination is made concerning this matter, an increase in the number of existing antenna locations is not being licensed at this time.

Responses to this correspondence must contain the Reference number : 7460

Sincerely,
