How much longer do you need to operate? STA's are usually not intended to be renewed repeatedly and are usually only extended for extenuating circumstances. If you need to do long term testing you should file for a 2 year license using the Form 442 instead.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 26, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
