Message:

Please submit an exhibit that describes your equipment and operation. Please include any interference mitigation you will use to avoid any interference to any existing users. The Nationwide request will require management review and may not be approved. Can you reduce the scope to selected locations?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 26, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
