Message:

Mr. Chetan Karani,

Please submit an exhibit describing the changes to this experiment. For example, is fixed operation at Ashburn, VA, the only location being requested ("United States" was in the mobile operation field and may have been entered unintentionally)? In the exhibit, please justify the change from a standard two-year license to a five-year license.

Please verify that only the emission NON is being requested for the new frequency bands.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 24, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
