

EXHIBIT – Applicant Classification (Question 12)

The applicant for this Experimental License is the Ohio Department of Transportation (ODOT).

ODOT is a State Government Agency with the mission to provide safe and easy movement of people and goods from place to place. The ODOT supports the state highway system and promotes transportation initiatives statewide. As a more than \$3 billion per year enterprise, ODOT invests the bulk of its resources in system preservation through maintenance, construction, and snow and ice operations.

ODOT's regional district offices and Central Office divisions work together to fulfill the department's mission of providing safe and easy movement of people and goods from place to place.
