Dear Mr. Wright:

Could you please advise the current status of General Electric Company, Electronic Systems Division's Experimental Radio Station License Renewal KC2XAK submitted to the FCC on 2/13/87. This license expired 3/1/87 and to date we have never had a response on the renewal request.

If you have any questions concerning this request, please feel free to contact General Electric Company's contract licensing organization, NABER/Licensing Assistance Office at 703/739-0307 - J. A. (Josie) Lynch.

Many thanks for your attention to this matter.

Very truly yours,

Robert M. Johnson
Vice President
