

FCC Attachment Form 442, Question 4
File #'s: 0083-EX-ML-2010

OSU/UML is contracting with SPAWARSCEN Charleston to provide various sensor test and evaluation services on behalf of USSOCOM and other government entities under contract N65236-07-D-7878 which was awarded on 28 March 2007. Since contract award, SPAWAR Charleston has let four separate purchase order contracts and 7 subsequent Delivery Orders to support test activities. These FCC licenses are necessary for work planned by the Program Executive Officer - Intelligence and Information Systems (PEO IIS) directorate, the Program Manager, PSYOP and PM SAFC divisions at USSOCOM. The RF testing work will be performed under contract N65236-07-D-7878 requested under these licenses.
