

FCC Form 442 Exhibit – Reinstatement Request

On-Ramp Wireless requests that call sign WF2XDV be reinstated.

The Commission sent On-Ramp Wireless a notice, dated January 24, 2012, that application, File No. 0307-EX-RR-2011 had been Dismissed-Without Prejudice due to our failure to respond to correspondence requesting payment for our renewal. (Reference number: 15994)

On-Ramp apologizes for this oversight and has put appropriate procedures in place to ensure timely responses to any Commission correspondence in the future.

Please contact Bill Simpson, Director of Deployment, at bill.simpson@onrampwireless.com if any additional information is required.
