Dear Madam/ Sir,

Following your email, we sent a request to the FAA Non-Fed coordinator, but so far, we did not have a response for our query.

In addition, we would like to let you know that the test has been postponed and is scheduled between 10 june and 10 july.

In the meantime, we get additional contact to the FAA non-fed coordinator and we do hope that this item could be solved quickly.

Best regards,

Eric Wawrzynkowski
