**RE: Submission of Application For New Or Modified Radio Station
Authorization under Part 5 Of FCC Rules Experimental Radio
Service (Other Than Broadcast)**

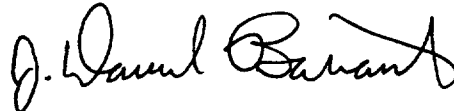

Dear Sir or Madam:

Enclosed is an original and one copy of One World Telecommunication's Application as referenced hereinabove, together with a check in the amount of \$35.00.

It is respectfully requested that the Commission act expeditiously in light of One World's intention to conduct research under a proposed joint venture with the University of Washington, College of Engineering and Computer Sciences in the 1991/1992 academic year. Additionally, due to One World's unique industry position, data gathered pursuant to the Experimental License would be of great value to the Commission in its consideration of PCN/PCS services.

Thank you for your time and consideration.

Sincerely,

J. Daniel Bariault
