Carl Huie,

We have officially changed our company name and would like to reflect the new name on our Experimental License. I believe the following is the information that is required to achieve our goal.

Old information is as follows:

Call Sign	File Number	Name
WB2XBL	0206-EX-PL-1999	Omnipoint Technologies III, Inc.

New information is as follows:

Call Sign	File Number
WB2XBL	0206-EX-PL-1999
OPUSWAVE Networks, Inc.	

NOTE: The word OPUSWAVE must be either all caps or just the first lettered capitalized. We are not allowed to capitalize the "O" and the "W" as if it were 2 words.

If you have any questions or comments please do not hesitate to contact me.
Thanks for your cooperation and timeliness in handling this.

Regards,

Kerry Appenzeller
