MEMORANDUM OF UNDERSTANDING

Between: **The Town of Orangetown Police Department and**

The Village of South Nyack Department of Public Works

For the utilization of Public Safety Interoperable Communications Technology

1. **Parties:** The parties to this agreement are the Orangetown Police Department and The Village of South Nyack Department of Public Works.
2. **Authority:** This agreement is authorized as provided for by the United States Department of Justice, The National Institute of Justice, The Federal Communications Commission, and any applicable laws, statutes and provisions.
3. **Purpose:** The purpose of this agreement is to set forth terms by which timely, direct, two way voice communications between public safety agencies may be established in the interest of communicative interoperability between and among such agencies to enhance delivery of law enforcement and other public safety services.
4. **Responsibilities:**
 - a. The Orangetown Police Department will be responsible for the acquisition of the equipment associated with this project. There is no cost to any other agency for participation in this project.
 - b. The Orangetown Police Department will operate the equipment in accord with FCC rules and regulations and the operational guidelines established by the Department of Justice and related sponsor agencies.
 - c. The Orangetown Police Department will use the project technology as a test bed to analyze issues of interoperability between and among agencies.
 - d. When using the interoperability system, participants will identify themselves using basic English language protocol such as "Agency XXX" where "XXX" is the standard call sign for a specific mobile, vessel, portable or aviation radio. For example, Orangetown car 3328 would identify itself as "ORANGETOWN 3328".

- e. Plain language will serve as the basis for all communication when interoperability technology is employed. Police codes and or signals will not be used.
 - f. Training and operational protocol materials will be made available to participating agencies.
 - g. The integrity of the system will be tested on a recurring basis.
5. **Other Provisions:** Nothing in this agreement is intended to conflict with current law or regulation or the directives of any parties. If a term of this agreement is inconsistent with such authority then it shall be invalid subject to conflict of the laws, principles, but the remaining terms and conditions of this agreement shall remain in full force and effect.
6. **Effective Date:** This agreement shall become effective upon signature of the Authority Having Jurisdiction.
7. **Modification:** This agreement can only be modified by mutual consent of the parties involved or as needed to stay compliant with FCC regulations.
8. **Termination:** Participating agencies each reserve the right to terminate their participation in this project upon 30 days written notice to the Orangetown Police Department.
9. **Points of Contact:** Unless modified as provided for herein, this agreement shall survive terms of participation agency personnel, remaining in full force and effect with their successors.
