DISMISSED-WITHOUT PREJUDICE

Dear Brad Franco,

This refers to application, File No. 0576-EX-PL-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. This request should be filed with the International Bureau as a modification to Orbcomm's regular authorization.

A Special Temporary Authorization for a short-term (30-60 day) license would be considered if it were established that such a request is clearly experimental in nature.

Responses to this correspondence must contain the Reference number : 4962

Sincerely,
